Description:

â€ Foreword by Paul Newmanâ€ Completely revised and updated version of a beloved theater classicâ€ Replaces Kids Take the Stage, ISBN 0-8230-7742-Xâ€ Clear, practical guide to helping kids ages 8 to 18 get a show up and runningThe classic Kids Take the Stage is one of the best-selling Back Stage Books of all time. Now Back Stage is proud to present the completely revised and updated second edition of this indispensable guide to getting young people on stage and helping them create their own shows. For teachers, for parents, for budding actors, emerging crew, and incipient directorsâ€this is the book that shows how to get a production up and running...and have fun in the process. Clear and accessible, Kids Take the Stage outlines a systematic approach to staging, complete with basic lessons in acting, relaxation and trust-building exercises, and

improvisations. From first read-through to opening night, from butterflies to bravos, this is the perfect book to help young people realize their creative potential. www.sherrahaab.com. Nina Edwards is a graphic designer and illustrator. She lives in New York City.

The only reason I'm giving this 4 stars instead of 5 is because the writer is a bit all over the place. The information inside the book is wonderful and the exercises have all worked really well with my kids, but going through and reading the book feels more like a trip down memory lane than an educational read. Over-all, I'm very happy with this book and would recommend it to anyone wanting to get children involved in a group activity.
